FACULTY

"The entire object of true education is to make people not merely do the right things, but enjoy them; not merely industrious, but to love industry; not merely learned, but to love knowledge; not merely pure, but to love purity; not merely just, but to hunger and thirst for justice."

John Ruskin

Administration

Mr. Jay Eldred–Superintendent

"As the twig is bent,
so the tree will grow."
Alexander Pope

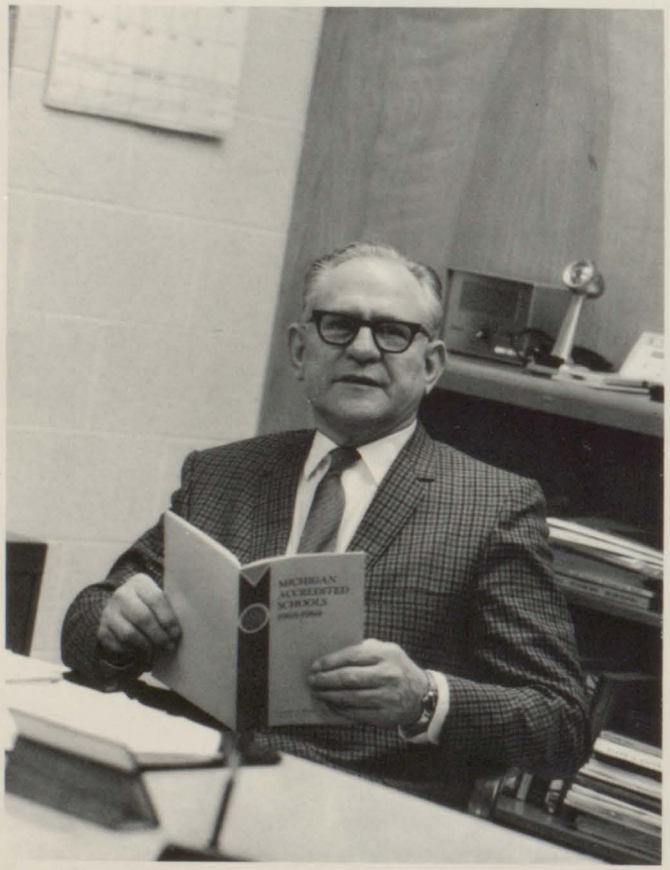

During the year, we have not only seen our students grow, but Yale High School as well. This is a hand in hand relationship, as our students grow in years and wisdom, so they demand that our school grow with them.

We have gladly met the challenge with two additions to our curriculum. Drama and Girls's Phys. Ed. have done much for the growth of our students as well as Yale High School.

Our students have contributed to our development outside of the classroom. Our activities have noticed an enthusiastic participation.

We would like to thank the Seniors for their contributions to our growth. We only hope that we have been successful in bending the twig, so that their lives might be happy and prosperous.

Mr. James Martin–Principal

Yale High School Band

The marching band provided the football spectators with several enjoyable half-time shows this fall. The majorettes were especially entertaining in the special routines they had worked out.

After the football season the band hurriedly prepared for the annual Christmas Concert. Following the Christmas Concert the band began practice for the Sanilac County Band Festival.

The band then participated in the Spring Cabaret Concert and the Blue Water Festival.

The season is ended by the Memorial Day parade and finally the graduation ceromony.

We've Got Spirit

You don't have to tell us, we heard. The spirit shown at pep assemblies spilled over to the playing field. Our Yale Bulldogs showed their appreciation by providing us with a victorious athletic year.

This year was so much fun that we are already looking forward to next year.

Homecoming

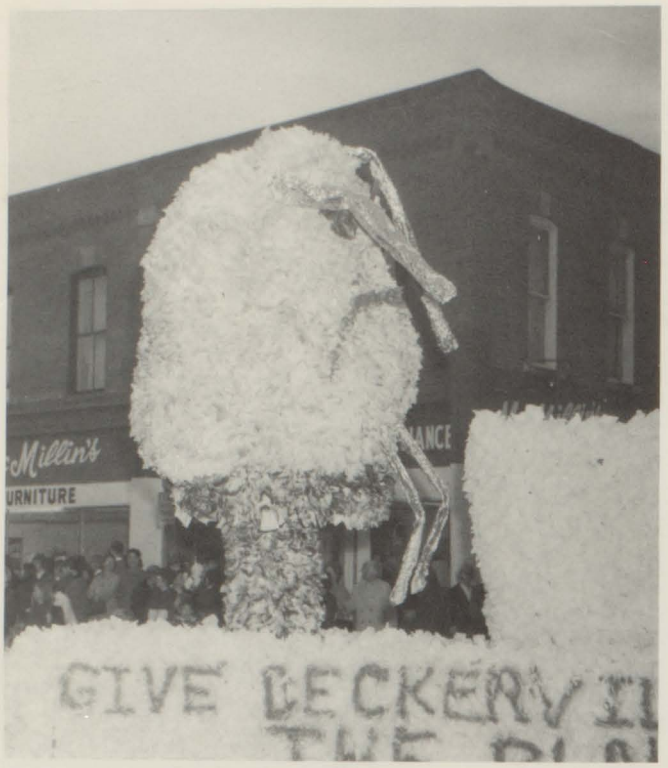

The '68 Homecoming theme was commercials. As you can readily see by the pictures the floats took on new dimensions and the float contest will be more eagerly awaited.

Juniors'—Our Bulldogs are getting bigger.

Sophomores'—Breakfast of Champions.

Freshmen–Give Deckerville the blahs.

Yale Royalty

Our Yale Royalty reigned over the gala events of this fall. Prior to the evening selection of king and queen, the community was treated to an afternoon parade.

Diane Bullock was selected as queen and reigned over the second half of the Homecoming game. Could that pretty smile have sparked the Bulldog victory over Deckerville?

At the Homecoming Dance, Diane reigned with Yale's king, Bill DeWolf. The smiles captured in the snapshots would indicate that Yale's royalty and their subjects were pleased with the '68 Homecoming events.

Bulldogs Charge to Victory

The Yale Bulldogs worked hard to accomplish their winning season. They played rough and rugged football. Their determination to win pulled them through many games. A loss only drove them on harder to win the next game.

All the way.

It takes two to tangle.

Spark the Team

Our senior players sparked the Bulldogs on to a winning season. Their experience and determination will be missed next year. The loss of 10 seniors will be offset by the returning Juniors and Sophomores who gained invaluable experience.

The football players can be rightly proud of having contributed to Yale's winning athletic season. We wish them the best of luck on next years' gridiron.

Special recognition should go to Gary Gilbert who helped the team as statistician. His absence will be noticed next year.

Yale Track Team Scores Big

That's good for the head.

The Yale trackers literally ran to victory this spring. The team worked endlessly to improve throughout the season, and improve they did.

Scott Richards and Dennis Hyde did much to add to the total tally of points at the end of each meet. But, none can ignore the fact that the whole team pulled through after looking at the score sheet.

Where's the ball?

The girls decided to get into the sporting act too. As you can see they might not have the polished skills of the male athlete, but they did put on a good show.

If the football squad is in need of a good runner next year, we've discovered an excellent running back in crazy legs Serniak.

That's a heavy line.

It's getting crowded.

Senior Leaders

We would like to pay special recognition to those outstanding seniors, who led their class in academics. Those who attained the senior honor roll, are students who maintained a three point grade average covering a span of four years. They should be rightfully proud of their acheivement.

The class was also given outstanding leadership by the four class officers, who were: Roger Siverthorn, President; David Boike, Vice-President; Rhonda Hinton, Secretary; and Elizabeth Boddy, Treasurer. We hope the Senior Class leaders will continue to lead throughout their lifetime.

Renate Klenz is our foreign exchange student from Hamburg, Germany. She has brightened the lives, and made the year much more interesting for many Yale High School students. Renate plans on going to California the end of June to visit friends. Around the end of July she will leave for New York where she will take a boat back to Germany. We hope her stay has been a memorable one and we will miss her as a part of the class of '69.

Goran is our foreign exchange student from Stockholm, Sweden. We have enjoyed having him with us very much this year. During Christmas vacation Goran visited Florida, and at Easter he went with the Spanish Trippers to Mexico. He has also been active in F.F.A. and the Varsity Club. We also will miss Goran as a part of the class of '69.

Dedication

"The man is a success who lived well, laughed often and loved much; who has gained the respect of the intelligent men and the love of children; who has filled his niche and accomplished his task; who leaves the world better than he found it, whether by an improved poppy, a perfect poem or a rescued soul; who never lacked appreciation of earth's beauty or failed to express it: who looked for the best in others and gave the best he had."

Robert Louis Stevenson

We of the Yearbook Staff can think of nothing else to say. What we have quoted is most appropriate, as we have come to know Mr. Martin through the years.
